**\_ Notes by the translator :**

**\_ About this form : Imam ... tell in his book ... about ( Name ) . This ( name ) is one of prophet Mohammed companions , or one of their students . Those are the very best source to know the real right Islam .**

**\_ When it's mentioned that Imam ... tell in his book ... about comapnion ( Name ) . It does not mean that this is the only Imam who tell this saying about this companion , but the author mentions at least one source for every saying .**

**\_ In some sayings you will find ( as the previous one ) . In the original book of the author , if many companions say the same thing , he repeated the saying every time . But in the translation , I mention the saying one time , then instead of repeating it again and again , I say ( as the previous one ) .**

**\_\_ Saying's number may be slightly different between the different editions of the books .**

## **The book's translation**

**Beginning in name of Allah and blessing on all his prophets .**

**In my first book I collected all prophet Mohammed sayings . It contains sixty thousand ( 60,000 ) of prophet Mohammed sayings and companions sayings about him . Then I started to collect his sayings in specific topics to be more easy to reach and read .**

**\_ Imam Al-Daraqutni tell in his book Al-Sunan ( 3189 ) about Gabir Ibn Abd-Allah that a woman called Omm-Marwan left Islam , so prophet Mohammed ordered them to tell her to get back into Islam or they will slaughter her .**

**\_ Imam Al-Baihaqi tell in his book Al-Sunan Al-Qubra ( 8 / 201 ) about Gabir Ibn Abd-Allah said , as the previous one . Then he said that they told her that and she refused to get into Islam , so they killed her .**

**\_ Imam Al-Daraqutni tell in his book Al-Sunan ( 3191 ) about Gabir Ibn Abd-Allah that prophet Mohammed ordered to slaughter any woman who leave Islam .**

**\_ Imam Al-Tabarani tell in his book Musnad Al-Shamii ( 3586 ) about Mo'az Ibn Gabal that prophet Mohammed said , Any man leaves Islam , he must be killed . Any woman leaves Islam , she must be killed .**

**\_ Imam Malik tell in his book Al-Mowatta ( 1444 ) about Zaid Ibn Aslam that prophet Mohammed said , Any muslim leaves Islam he must be killed .**

**\_ Imam Abu-Ya'la tell in his book Al-Musnad ( 2349 ) about Ibn Abbas that prophet Mohammed said , Any one leaves Islam he must be killed . Any one leaves Salat he must be killed . Any one does not pay Zakah he must be killed .**

**\_ In book number ( 51 ) of this series ( In arabic series ) , I collected the sayings of prophet Mohammed about terms that he made upon christians and jews . It contains ( 500 ) of his sayings .**

**(( Note : this book already translated to english . It's book number ( 2 ) of this english series ))**

**\_\_ List of terms that prophet Mohammed made upon christians and jews :**

**1\_ If a muslim intentionally kill a peaceful non-muslim , the muslim must not be killed but pay some amount of money called ( Deiiiah ) . ( In Islam , if muslim intentionally kill another muslim , the killer must be killed )**

**2\_ The non-muslim not inherit any thing from his muslim relatives .**

**3\_ If muslim accidentally kill peaceful non-muslim , he must pay the half of Deiiiah . ( In Islam , if muslim accidentally kill other muslim , he must pay amount of money called Deiiiah . But if the killed is non-muslim , he must pay only the half of the Deiiiah )**

**4\_ Christians and jews must pay amount of money calld Geziah to not be killed like polytheists and atheists . Also they must pay another amount of money called Kharag . The Kharag is like Zakah on muslim but is the amount is double . Also If one of the slaves owned by christians or jews becomes muslim , they must free him .**

**5\_ Muslims must put the humiliation and debasement on non-muslims**

**6\_ If a muslim get out of Islam and turn to christian or jew , he must be killed**

**7\_ If any non-muslim say any thing bad about prophet Mohammed and his religion , he must be killed .**

**8\_ If any non-muslim say that his religion is better than Islam , he must be killed .**

**9\_ All non-muslims must not live in Arabic Gazira ( Saudi Arabia now ) . And those who were already living there , they must get out of there .**

**10\_ If non-muslim use the usury ( money + benefits ) , he must be fought .**

**11\_ Non-muslims must not practice their religious rites in public . New churchs must not be built or renewd . They must not teach their children the christianity or Judaism .**

**They also must be ruled by Islamic rules . If they do not obey to that , prophet Mohammed said that he will kill their men and take their money & women & children as spoils .**

**12\_ Prophet Mohammed said the prophet Eisa ( Jesus ) will be back in the end of time and he will force all christians to be muslims .**

**13\_ Testimony of non-muslims are not accepted on any muslim . But testimony of muslims are accepted on non-muslims .**

**14\_ Prophet Mohammed sayings to muslims , Invade other countries to gain the beautiful women .**

**15\_ Accusation of adultery by christian wife upon her husband is not accepted . But vice versa is accepted .**

**16\_ All non-muslims must not pilgrimage to The holy Mosque ( Hajj ) .**

**17\_ If a slave want to be free , he must get into Islam first .**

**18\_ Prophet Mohammed forced polytheists & atheists to be muslims .**

**Polytheists & atheists who refused to get into Islam were killed . That is in the polytheists & atheists , but it affected the christians and jews because a lot of their relatives and business were with those polytheists and atheists .**

**( The Author collected prophet Mohammed sayings and actions of forcing polytheists and atheists on Islam in a separate book , which is previously translated before this book )**

**19\_ Prophet Mohammed threatened those who do not obey to these terms that he will kill their men and take their women & money & children as spoils for muslims .**

**20\_ Those who do not obey to these terms and prophet Mohammed fought them , he was uncover their pubic area . If they had some hair in this area , they will be killed . If they do not have hair in this area , they will be considered as children and will not be killed and will be slaves for muslims .**

-----

**\_ Then I collected the sayings of rule that , if a muslim leaves Islam and turn into any other religion , including turning to christian or jew , he must be killed .**

**I collected them in a separate book . Not just to be easy to reach and read , but also to collect their ways & routes to prophet Mohammed and prove that it's proven to the degree of Quran .**

**And this saying was reported by hundred ( 100 ) routes to prophet Mohammed . But I do not count them , because if one man was mentioned in many routes , I count them as one route only .**

**Then at the result , this saying was reported by fourty ( 40 ) different routes to prophet Mohammed , and this extremely prove that prophet Mohammed said it . This even make this saying reach the degree of Quran .**

**(( Note ( by the translator ) : In Islam , sayings of prophet Mohammed are reported by his companions , then from companions to their students , and etc. This is called the way or route of the saying .**

**The saying can be proven by only one way . But if it came by two ways , it's better . And if it came from many ways , it means that it's very proven and reach the degree of Quran .**

**In this book , after mentioning sayings of prophet Mohammed , the author mentioned in details that this saying came from fourty ( 40 ) ways . Then he mentioned a summary of them .**

**I will translate the summary because the details are just a lot of information about every Imam reported this saying and explanation that they are very trusted very strong memory men , and the ways are already summarized in the summary ))**

-----

**\_\_ From companions and Imams sayings about this rule :**

**\_ In Kuwaiti encyclopedia of Islamic Fiqh ( 22 / 190 ) ( All Islamic Imams say that if any muslim man leaves Islam , he must be killed )**

**\_ In Kuwaiti encyclopedia of Fiqh ( 22 / 195 ) ( If a muslim woman leaves Islam , most of Imams say that she must be killed . But Hanafi school say that she should not be killed but she must be put in prison and hit her and force her to get back into Islam )**

**\_ A lot of Imams said that all companions and Imams agree on that . From those Imams who mentioned the agreements : Ibn Al-Munzir , Ibn Abd Al-Barr , Ibn Asbagh , Ibn Hubairah , Al-Kasani , Ibn Qudamah ,**

**Baha' Al-Din Al-Maqdisi , Al-Nawawi , Ibn Muflih , Al-Bahuti , Al-San'ani , Al-Ruhaibani , Al-Shawkani , Ibn Aabidin , and others . And I will collect their sayings in a separate book .**

**( The author did collect sayings of ( 150 ) companions and Imams about that in book number ( 155 ) of the arabic series )**

**\_ Recently , some muslims say that if muslim leaves Islam , he must not be killed . This opinion is just an imaginary new version of Islam from some muslims . They do not like this rule and in the same time they still want to be called muslims , so they imagine a new religion in their own heads .**

**Do you think that you know Islam better than prophet Mohammed himself  
?! Do you think that you know Islam better than prophet Mohammed  
companions ?! Do you think that you know Islam better than all Islamic  
Imams ?! All of them say literally that if muslim leaves Islam , he must be  
killed , even if he was totally peaceful .**

-----

**\_\_ That what made some people say things about these terms , like :**

**\_\_ Some said that any one must want for himself what he wish or like for others . So assume that some people or countries ruled that the killer must be killed as a punishment . Except if the killed one is a muslim , so the killer must not be killed .**

**Are muslims will say that is ok ? Are muslims will say we are satisfied with that ? They will never accept that and they will demand that the punishment be the same regardless religion of the killed . So , why they do not accept that rule if it's made upon them , but totally accept it if they are doing it .**

**\_\_ Some said , assume that some countries ruled or legalized that the muslims must not inherit anything of their non-muslim relatives . Are muslims will be ok and satisfied with that ? Of course not . So Why they satisfy with that if the non-muslims are prevented to inherit for their muslim relatives .**

**\_\_ Some said assume that if a non-muslim accidentally kill another non-muslim , he must pay ( 1000 ) dollars for his family . But if the killed is muslim , he must pay only ( 500 ) dollars because the killed was muslim .**

**Are muslims will be satisfied with that ? Will they agree on that ? Or they will fight to be equal with non-muslims ? You know the answer . So, why when they apply that rule on non-muslims it's ok ?**

**\_\_ Some said assume that some people or countries ruled or legalized that muslims must pay some amount of money to not be killed . Are muslims will be ok and satisfied with that ? Of course not . So why when they make non-muslim pay that money it's ok ?!**

**\_\_ Some said assume that some countries ruled that muslims must pay triple the amount of money that non-muslim pay . Are muslims will be ok and satisfied with that ? Of course not and they will demand to pay the amount of amount that non-muslim pay . So why when muslims apply that rule on non-muslims , it's ok but not vice versa ?**

**\_\_ Some said assume that some countries ruled that muslims must live in the humiliation and basement because they are muslims . And if they want to not be humiliated , they must quit Islam . Are muslims will be ok and satisfied with that ? Of course not . So why muslims are satisfied when they apply that on non-muslims .**

\_\_ Some said assume that some countries ruled or legalized that if non-muslim leaves his religion and get into Islam , he must be killed . Are muslims will be satisfied with that ? Of course not . So why it's ok and satisfied when they kill who get out of Islam and enter any other religion .

\_\_ Some muslims said that getting out of Islam is like betrayal and the betrayer must be killed . But others said that this is very wrong because states have ( secrets ) and uncover these secrets will weaken the state .

But the right example is changing citizenship or having many citizenships . Like egyptian is also american , or american is also has the canadian citizenship . And this is very accepted and has no problem .

Also if they assume that getting out of Islam is like betrayal , so all other religions will say and act by the same . And any one get out of their religion and get into Islam , they will kill him because he is like betrayer . It's the same !

\_\_ Some said assume that some countries legalized that any muslim invite people to get into Islam or say that Islam is better than all other religions , he must be killed . Are muslims will be satisfied and agreed with that ? Of

**course not . So why muslims do not accept it if it's made upon them , but they very accept it if they apply it on other people ?**

**\_\_ Some said assume that some countries ruled or legalized that some areas must be banned from muslims and muslims must not live in these areas or countries . Are muslims will be satisfied and ok with that ? Of course not . But when muslims ban non-muslims from some areas & countries it's ok !**

**\_\_ Some said assume that some countries ruled that muslims are not allowed to build any mosque or renew the existing ones . Are muslims will be agreed and satisfied with that ? Of course not . But when muslims ban and prevent non-muslims to practice their religions it's ok !**

**\_\_ Some said assume that some countries legalized that muslims' testimonies are not accepted in any case , because they are muslims . Are muslims will be pleased and satisfied with that ? Of course not . So why muslims are satisfied and agreed when they not accept testimonies of non muslims .**

**\_\_ Some said assume that some religions believe that another prophet will come and make muslims get out of Islam and get into his religion . Are muslims will be pleased and agreed with that ? Of course not .**

**But on the other hand , muslims believe that Jesus will be back again in the end of time and make all christians leave their religion and force them to believe in Islam .**

**\_\_ Some said assume that you are still in the times of slavery and if you want to be free , you must get out of Islam . Are muslims will be satisfied and agreed with that ? Of course not . But on the other hand , if non-muslim slave wanted to have the ability of being free , he must get into Islam first !**

**\_\_ Some said that some of these terms were present in some people or countries in some times . But others answered on that and said that there is a huge difference between people and God or religion .**

**When some people say or do something by themselves , you can not obey them and you can fight them . But on the other hand , when they tell you that some sayings and actions are ordered by God and if you not obey you will be in Hell forever , you must think thousands of times before you say no and it's not easy to say no in this case .**

**\_\_ Some said assume that some countries made these terms on muslims and ruled that any muslims not obey to these terms , their men will be killed and their money & women & children will be taken as spoils and slaves .**

**Are muslims will be satisfied and pleased with that ?! Of course not . But on the other hand , they are very agreed and pleased when they apply this on non-muslims .**

**\_\_ Some said assume that in the wars , the difference between the adult and the child is the hair of pubic area . If child has some hair in this area , he will be considered as an adult even in killing him . And if he does not have hair in this area , he will still be considered as child .**

**If this rule is made upon muslims kids , are they will be agreed and pleased with this ? Of Course not . But on the other hand , they are very agreed and pleased to make this rule on non-muslims kids .**

**\_\_ Finally , there might be more details or search in these situations . We must follow the peace find ways to bring peaceful relations between people because God is peace .**
